

Apple TV

Apple TV is a device attached to your TV that streams media (photos, movies and music) from your Internet (including NetFlix and YouTube), computer, and smart phone (among others) to your television. The NEW Apple TV also plays games and runs other apps. We have granted you FREE ACCESS to our NetFlix account. See the link below to install your personal NetFlix account.

Watch MOVIES, TV SHOWS, and more instantly on your TV. Apple TV is operated from your iPhone or the Apple remote control.

AirPlay lets you wirelessly stream what's on your iOS device and Mac to your TV. Or mirror exactly what's on your display to the big screen. Guests can even easily share their content with peer-to-peer AirPlay. Vacation photos, blockbusters, presentations, the latest games — AirPlay and Apple TV put it all on your TV.
